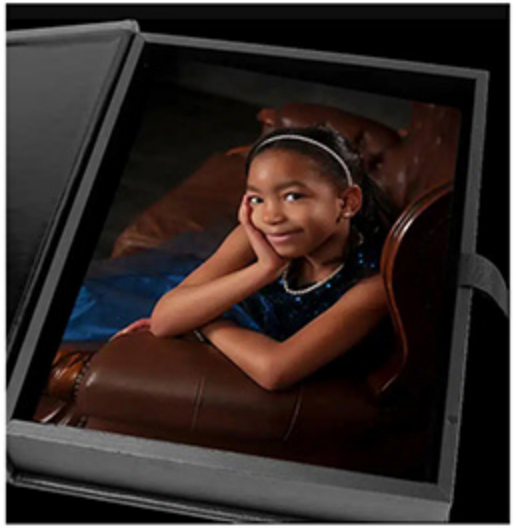
PORTRAIT BOX

Mounted Prints to display and enjoy

An innovative alternative to traditional albums, this is a popular presentation for enjoying a number of your favorite portraits. Collector's Boxes allow a rotating display of your mounted prints.

Imagine a child, held on a lap, reliving precious moments - that could be YOUR grandchildren, seeing and hearing how loved and treasured family is.

With their classic fine art look, solid wood craftmanship and magnetic closure, these boxes are an especially beautiful way to display your favorite portraits on a bookshelf or table. Display stand included.



FINE ART ARCHIVAL MOUNTED PRINTS

Not the average "floppy paper prints," these portraits have the astonishingly beautiful look of darkroom prints.

These Fine Art Prints are a classic and timeless medium, appropriate for clients who appreciate owning a smaller or entry level piece.

Each print is lightly textured, receiving a protective lustre spray, and is delivered without matting for you to display and frame to your exact preference.

DIGITAL FILES

Medium resolution files are printable to 8x10.

A MUST-READ FOR YOUR ORDERING SESSION

- There is no MINIMUM product purchase required....but don't be mad at us if you want them ALL!

- Your Ordering Session is the time you place your order and pay OR make payment arrangements.

- We DON'T START an Ordering Session if a parent is NOT present.

- Please make sure both parents block off a FULL 2.5 hours for the Ordering Session.

- Ordering Sessions are ADULTS ONLY and REQUIRE BOTH PARENTS TO BE PRESENT FROM BEGINNING TO END WHEN YOUR ORDER IS PLACED TO USE THE SPENDING CREDIT.

- All orders must be placed at the Ordering Session for the SPENDING CREDIT to be valid.

- ANYONE wanting to view or order MUST be present at the Ordering Session as this is the only time to order without additional COST.

- All decisions must be made at the time of your Ordering Session and your order placed. If an additional meeting is required, there will be a $200 fee for a second Ordering Session.

- Please do not schedule another appointment immediately following your Ordering Session.

- NOTHING goes online and there will be no proofs to take home.

- Please be aware that our process requires deleting what you DON'T purchase from your session. If you don't want it, we understand – but if you don't want it, we don't either so we don't keep them.

- Our preferred method of payment is cash and we can do Venmo or Zelle – and if you want to pay in full, we won't turn it down – but we do accept Visa, MC, AMEX and also have payment plans and special financing options available, so you are welcome to take advantage of that, too.

- In general, your product order will take approximately 4 – 6 weeks to be delivered to you after your final payment is processed.

- To honor your family and to fully enjoy your portraits, we will ask that you please SILENCE or PUT AWAY your PHONES during the Ordering Session.

- ALL sales are final.

Ever After

Ever After Portraits

As opposed to selling disposable imagery that caters to the DIY client, Ever After Portraits is a full service studio providing the highest quality fine art portraiture.

We do recognize that this investment is not for everybody as not everyone needs or wants this level of service.

For those who do, we provide fine art products, finished and ready to display - a full turnkey solution.

What that means to you is:
- We will guide you on what to wear,
- create fun, stress free portraits
- and customize suggestions for the walls of YOUR home.

Your favorite ordered portraits will then be finished to perfection, retouched by our artist to show off the best version of yourself.
